

California Tower Construction Update February 2022

Completed Work:

- Construction fencing erected in Lot 3

Current Construction Activities:

- Mid-February
 - Modify Cancer Center drop off; changes impact X Street and 45th Street
 - Revise pedestrian pathway and signal light changes to be enacted
 - Demolition of existing landscape/hardscape at 45th/X St
- Late February
 - Modify main hospital entry circle
 - Create new bus stop between University Tower and Parking Structure 3 to replace existing bus stops on X St in front of the hospital

Look Ahead

- Emergency department entrances moved for patients and ambulances
- Realignment of 45th Street
- Demolition and removal of existing modular units located north of the emergency department
- Grading of site to prep for future work
- Prep for temp power installation
